

The Polokwane Tour

It was a great experience to travel all the way to Polokwane to play against good strangers.

We played with such beautiful, kind, and lovely girls who welcomed us with warm hands.

When we went to half the very fit and wonderful ~~ref~~ referee said "Girls I'm giving you 5 minutes take a break". Ma'm Pretty our Coach said "we were playing very well" then came ~~smilies~~ smiles on our faces. Full time the kind Mitchell House Girls said "Well done City Kidz" we hugged each other, they hold our hands in a circle and someone in the middle the song and spelt S-U-C-C-E-S-S

After the good game they led us to our rooms, we got to the guest house my heart was like "Oh my God the is awesome"

When they showed us our rooms my best friends, Sweetie, Sharifa and Michelle we were amazed of the beautiful rooms. We got to change for the dances. We danced like professionals.

When we went to do Spelling it was nerve reeking all the children there were good.
