Dear Parent/Guardians

Grade 3—Lion Park

Dreams
★COME★
TRUE

10 May 2019
Edition 15/2019
Term 2

Grade 3's had a fabulous time at The Lion and Safari Park, on Friday 2nd May. We journeyed through the park, in Safari Vehicles, spotting giraffes, wild dogs, cheetahs, wildebeests and the king of the jungle, lions!

Did you know that a wild dog can hear your tummy growling from a 100m away or that the mane of a lion serves to protect its neck during a fight because lions kill by suffocating their prey! Also, did you know that the difference between a cheetah and a leopard is that, cheetahs have spots while leopards have rosettes, and cheetahs are built for speed while leopards are muscular.

Everyone got the opportunity to spend time with three beautiful lion cubs and some of us were brave enough to stroke them.

When we stopped for lunch, we got to play on a big jungle gym and many of us bought very large, tasty ice-creams.

We also got to see meerkats, porcupines and a shy underground squirrel named Daisy. Our guide taught us all about their different habitats, how they defend themselves and what they eat.

Finally, we waved goodbye to all the amazing animals. Albeit exhausted, the children were elated and could not wait to tell everyone about their day.

Important Dates

24th May— 31st May Exams

Grade 3 Tasks begin from the 24 May to 14th June 2019

Grade 6 will write the Provincial Examinations on the 04th and 07th June

03rd June - 14th June Normal Teaching and Continuous Assessments

14th June School Closes at 11 for learners. Return back on 10th July

Grade 4 Trip—Go Ape - Sweat and guts

Ready, steady, GO APE. On Friday the Grade 4 learners embarked on a trip to Go Ape South Africa. Go Ape South Africa is an aerial forest park built to be enjoyed by all ages. This park contains courses made of platforms constructed at various levels in the trees. The platforms were connected by different types of bridges (that represent obstacles), our learners used safety equipment to manoeuvre from platform to platform. The learners worked as a team assisting and motivating one another. Apart from all the fun filled memories, we learnt a great lesson, there's a lot of sweat, and guts between dreams and success.

Grade 3 Tasks begin from the 24 May to 14th June 2019.

English HL, and Mathematics. Grade 6 will write the Provincial Examinations on the 04th and 07th June as indicated above.

MOTHER'S DAY

We would like to wish all our Mothers a Happy **Mother's Day on Sunday 12th May**. This is a day for many people to show their appreciation towards mothers and mother figures. This should be done every day, but on Mother's day it is extra special! Make sure Mom knows that you are grateful for everything she has done and all that she does do for you. Spoil Mom with a wonderful hand drawn card or made by you or tiny treats like a chocolate. You could even surprise her with breakfast in bed! She will definitely feel special ...

QUOTE FOR THE WEEK

There are no great limits to growth because there are no limits of human intelligence, imagination, and wonder.

Ronald Reagan

General Knowledge question for the week

How many bones are there in a human neck?

Answer to question in our last newsletter.

According to the Hakuna Matata song from 'The Lion King' movie, what does the phrase Hakuna Matata mean? Circle of Life

Maths Challenge for the week

There are 20 people in the park, if 5 people leave, what fraction of people will be left in the park?

Answer to question in our last newsletter.

What are the two missing numbers in the following sequence: 825, 1005, ?, ?, 1545, 1725, 1185, 1365 (adding 180 to each number)
