Novelty Fun Day

Our Super Fun Novelty Sports Day at Wits Education Campus was a huge success. Our parents and children came out in their numbers to support his/her Grade. Each Grade member wore a coloured bandana to show the grade to which he/she belonged. The Fun day started off rather chilly, but by 10h30 the sun was bursting through the clouds. The yummy refreshments and DJ Mauzah kept the vibe going throughout the day. The children had an exciting time participating in all the races, they performed amazingly and their teachers and parents were very proud of their achievements.

While the team events were taking place each Grade had two opportunities to complete the Obstacle Courses, which ranged in degree of difficulty.

The day ended with the Parents Tug o War and Balloon Pop Obstacle Course races.

The winning classes were in FP- Grade 3- Pink and in SP Grade 4- Red.

A huge thank you to our teaching staff for their commitment, motivation and ensuring that the event ran so smoothly. They definitely went all out to create Grade Team Spirit! A special thank you to our maintenance and support staff for ensuring that tasty food was readily available. A big thank you to our amazing parents for supporting and cheering on the children. Our Novelty Sports Day was definitely one of the highlights in the school calendar for our children and their families.

"Breathe4Earth"

CityKidz will be involved, in unison with the Climate Save Jhb branch, in a special "Breathe4Earth" meditation on Monday morning on the 17 September at 09h30.

The children will create a human "tree", perform kiddie yoga for a few minutes, then lie in a tree formation for a gentle 4 minute breathe and meditation.

Globally the organisation is creating awareness of our Mother Earth and Planet's need for healing, through our children, our future generation, consciously breathing...

QUOTE FOR THE WEEK

Don't judge each day by the harvest you reap but by the seeds that you plant.

General Knowledge question for the week

Which place is known as the roof of the world?

Answer to question in our last newsletter.

Which three-digit number refers to the NOT FOUND error message indicating that a HTTP server cannot find the requested item? 404 errors

Maths Challenge for the week

At the time of shipping, Tom can place 10 small boxes or 8 large boxes into a carton. A total of 96 boxes were sent in one shipment. The number of small boxes was less than large boxes. What is the total number of cartons he shipped?

Answer to question in our last newsletter.

Whose theorem is used to calculate the length of missing sides in right-angled triangles? **Pythagoras' Theorem**

Behaviour Awards

Most Merits Week Ending 13th September 2019

Grade	Name	Surname	Grade	Name	Surname
