SPACE Troopers

Space has always been a very intriguing topic for our Grade 3 learners. They are fascinated by the different planets and the exciting history behind man's exploration of the out of space. Space exploration is always reaching new heights, with missions to Mars and plans to land a probe on a comet after a 10-year journey through the solar system currently under way. Their inquisitive minds just cannot get enough of it.

This week, the learners put their creativity to work and produced some amazing solar systems projects. It was a delight to see their faces light up with sheer joy and pride, as they showcased their creations. Well done Grade 3s and thank you parents for supporting them.

Tips for Busy Families

Make the Commitment: The most important thing in our busy world is to make the intentional choice to make a commitment of spending family time together.

Some tips:

1. Have a daily one-on-one time with your child. Sit for a few minutes and chat with your child. Every little bit of time makes a positive impact!
2. The quality of the time spent with your child is much more important than the quantity time. Spend quality time with your child. Turn technology off - Try not to text, answer calls, scroll through social media, or watch television when you are spending quality time with your child.
3. Like you schedule other appointments in your life, schedule dinner time as family time. Make and eat meals with your children whenever possible. The table is one of the few places left where families consistently have conversations together.
4. Reinforce positive behaviour. For example, if your child completes his/her homework without being coaxed, acknowledge it with words of appreciation and praise.
5. Make plans and dream together.

What's happening the following week?

Monday	Tuesday	Wednesday	Thursday	Friday
02/09	03/09	04/09	05/09	06/09
CASS-FAT-SBA Grade 1-7 to be conducted	CASS-FAT-SBA Grade 1-7 to be conducted	CASS-FAT-SBA Grade 1-7 to be conducted	CASS-FAT-SBA Grade 1-7 to be conducted	Get ready for tomorrow's big day!
				07/09 Novelty Sports Day

Are you ready? Novelty Sports Day

Are you ready for our **Super Fun Novelty Sports Day** at Wits Education Campus (St Andrews Road) on the 7th September. It is very close to school. Less than 6km from school. Go directly to the venue.

Races start at 8h30 and end at 15h00. You will receive a detailed program on Friday with your child's coloured bandana. We will be selling yummy refreshments and DJ Mauzah will keep the vibe going. Each Grade has been

assigned a colour and they will wear a bandana to show the grade to which they belong.

CityKidz makes break time POP!

Pop, pop, popcorn,
Popping in the pot!
Pop, pop, popcorn,
eat it while it's hot!

CityKidz has just purchased their very own popcorn machine. We have already started selling popcorn during break and the children are thoroughly enjoying this healthy snack. There are yummy spices for them to choose from to add that extra special flavour. The small bags cost R5 and a large bag R10. Money raised will first be used to pay off the machine and running costs. All profit will go towards buying LSM for our classes.

QUOTE FOR THE WEEK

Working hard for something we don't care about is called stressed; working hard for something we love is called passion.

Simon Sinek

General Knowledge question for the week

Which three-digit number refers to the NOT FOUND error message indicating that a HTTP server cannot find the requested item?

Answer to question in our last newsletter.

Which is the most spoken language in the world? Mandarin Chinese

Maths Challenge for the week

Whose theorem is used to calculate the length of missing sides in right-angled triangles?

Answer to question in our last newsletter.

A clock strikes once at 1 o'clock, twice at 2 o'clock, thrice at 3 o'clock and so on. How many times will it strike in 24 hours? The clock will strike 156 times in a day.
