Kidz Chronicle

Edition 35 Term 4

Final Newsletter for 2017

Our theme for this year is
Above and Beyond

If you are aware that your child will be leaving CityKidz at the end of 2017 (Not Grade 7 learners), please notify Mrs Dudu Moyo (in the office) in writing as soon as possible

A reminder that our Intersen Phase will be starting writing exams on Friday 17 November. Parents please help your child with his/her revision timetable and make every effort to ensure they are fully prepared for the exams. If you have misplaced the timetable we are sending it home again for your convenience.

Another successful year draws to a close. It has been a wonderful year full of many exciting events. A great deal of what we do in school cannot be achieved without you and your co-operation and support of the School during the year. We achieve so much because we work together as a team and this is one of the greatest strengths of the school.

The focus over the next two weeks will be on the examinations and finally the prize giving.

To all our Grade 7's we wish you all the best as you move to your new high school. We are proud of the achievements of our Grade 7's and know that we send them on to their new high schools having had some wonderful, memorable learning experiences and with a firm foundation for their education while at CityKidz. We look forward to hearing from our Grade 7 leavers in the future. We know that many of you will visit staff members at the school in the next few years. If this is your last child to leave CityKidz, the staff would like to thank you for your support and for the guidance that you have provided for your child(ren).

I would like to take this opportunity to thank all staff for their hard work this year. It has been a year of changes and they have embraced this with goodwill and continued to provide the best education for the children.

On behalf of the Staff may I wish all members of our School community a peaceful and restful break over December.

Please Note: We look forward to seeing you all again on Wednesday 17 January next year in 2018.

Reminder:

All school fees must be settled before the end of the year. Thank you to parents who have paid in full or are paying on time. The school cannot pay its monthly bills for salaries and water/electricity, as many parents are not paying on time. Non/slow payment hampers our functionality. Please help keep the school running efficiently, by paying fees on time.

FEES for 2018

Registration Fee: R250:- NEW ENROLMENTS ONLY. Once off - non-refundable for new enrolments to secure a place at the school.— Payable together with the Annual School Administration Levy - R650-00

ANNUAL SCHOOL ADMINISTRATION LEVY - R650-00 FOR ALL REGISTRATIONS

Pre-School (Grade R) - Monthly payment R690-00 (11 months)
Primary School (Grade 1 - 7) - Monthly payment R835-00 (11 months)
Please note that a child registered during any date in a month, will be deemed to have enrolled from the 1st day of the month wherein enrolment takes place.

Grade 6 Discussion: Street Children

Four girls in Grade 6A took part in a panel discussion during class. Talent, Njanji, Lethubuhle Nkomo, Tamia Ndlovu, and Keketso Tlhapi volunteered to take on the role of our **“experts”**, while the rest of the class would be the audience.

The topic of the discussion: Street Children. The four girls went home and researched independently; they looked online for information, they spoke to people and gathered opinions, they organised and wrote up their research, and then presented it to the class. They included in their discussion, reasons that children end up on the street, the dangerous and life-threatening conditions faced by children, the way the public views street children, and what we can do to help. In an exciting development, Keketso (assisted by her mom) set up an appointment to interview the person in charge of an organisation dealing with street children so she could learn as much as possible about what it takes to assist street children.

Every body participated positively in the discussion, listening respectfully and contributing constructively. The girls (experts), are to be highly commended for the excellent quality of their work. Thank you to the parents involved for facilitating this learning process. (Ms Corrigan)

What's happening next week ?

School will close at 13:00 for all learners until the end of term. Please ensure they go home promptly and do not loiter around school.

Quote for the Week

When you rise in the morning, give thanks for the light, for your life, for your strength. Give thanks for your food and for the joy of living. If you see no reason to give thanks, the fault lies in yourself. Tecumseh
