Edition 5 Term 2

April 2021

23

FRIDAY

Welcome back to Term 2

Our theme for this year is:

Accept and Embrace CHANGE

It's been wonderful having our children back at school! It is hard to believe that we are already in our second week of the second term of 2021. Our pupils have all settled nicely into their usual routines.

The Grade 4 classes are now repaired and children moved back into the classes on Tuesday this week.

We have had several staff changes. These changes have been beyond our control. New Staff are Ms Kerry McGuire- Grade 2A: Ms Constance Mpofu- Grade 5D: Mr Nhamo Manhaka-Grade 4D. They have all already settled in and if we keep the positive growth and development of the child as our focus in this partnership, only good things can come from it.

This year's theme of "Accept and Embrace Change" is an opportunity for all of us to adapt to improve ourselves and/ or try new things. The same applies to new staff members. We need to be

positive about our situation, capabilities, and ability to adapt to change.

The term has already been a very busy one. Mrs Vorster hosted a lovely morning, Teenager Tea, with our Grade 7 girls and female staff. The guest speakers Ronel and Gizella gave our girls some very practical tips on navigating the stormy waters of the teenage years.

The Foundation Phase Assessment Workshop held by Mrs Nadia O'Brien was also conducted this week.

The term is still starting to pick up with more exciting events to come such as; the Grade RR and R outing, the Grade 7 trip to Konka, the Grade 6 trip to the SAA museum and the Grade 5 trip to Go Ape.

We look forward to a productive and fun filled term.

Special points of interest:

- Reports will be handed out Thursday and Friday.
- Grade RR and R visit Rietvlei farm this Friday
- 30th April Grade 6 Trip

Behaviour Bank Awards

Grade 7 / Girls Teenager Tea

Our Grade 7 girls were treated to a very special tea on Saturday morning put together by Ma'am Vorster and her team.

Gizella started the morning with a fun movement activity and then introduced a compelling workshop. Tortoise, teddy bear, fox, lion, and shark ... We learnt about different personality types and that diversity is important for a functional, interesting world. Gizella encouraged us to be

who we are and to value who we are. There is no one alive who is youer than you. (Dr Seuss).

Mrs Ronel van Wyk's address was about health, hygiene and sexual health reminding us that all self care is foundational to our well being and therefore foundational to our success. She made the point that self care is also about keeping safe in social environments and stepping back from risky situations.

A craft activity and table laden with tantalising treats made a lovely event, superb !

GRADE RR and R

We look forward to beginning our Term 2 Theme – New Friends found in adventurous ways!

Our little learners will be taking a trip to Rietvlei Animal Farm to meet new animal friends. They will even get to enjoy a ride on a pony! As friends, they will also enjoy a train ride around the animal farm looking out for their animal friends.

We are looking forward to our outdoor picnic – hoping to enjoy the fresh autumn air! Perfect outdoor environment for making new friends and practising social distancing and wearing our masks to keep each of us safe at Rietvlei Animal Farm.

Watch this space, as we will be taking photos of all our friendly, happy moments and posting them for all to see – we enjoy learning through play and going on fun adventures together!

We encourage our little learners to use the five-finger challenge on how to be a good friend. Each finger repre-

sents a challenge – the learners will arrive home and share this with you:

- 1st little finger (thumb) – take turns and share
- 2nd little finger – be kind.
- 3rd little finger – shows gratitude.
- 4th little finger – keeps promises.
- 5th little finger – tells the truth.

Children need to learn friendship skills from an early age. Children play with others; they build skills that help them develop friendships now and in the future. These are skills like sharing, taking turns, cooperating, listening to others, managing disagreements, and seeing **other people's point of view.**

A fun way to express friendship in words: we just clicked right from the start!

Our teaching year began firstly by meeting our little learners online for two weeks. This followed by our first day of contact schooling – we have clicked with our little learners and the learners have clicked with each other forming new friendships that may **last a lifetime! Click..... Click..... Click.....** we are one big friendly CityKidz family!

Teacher Maria and team.
